

NATIONAL INSTITUTE OF FIRE AND SAFETY (NIFS)

A unit of: **SSBIHSES**

an authorized training partner of

National Skill Development Corporation (NSDC)

NSDC COURSES:

Course	Course Name	Duration	Eligibility
DIS	Diploma in Industrial Safety	12 Months	10 th or S S C or H S E
DFS	Diploma in Fire and Safety	12 Months	10 th or S S C or H S E
DHSE	Diploma in Health Safety Environment	12 Months	10 th or S S C or H S E
PGDFS	PG Diploma in Fire and Safety	12 Months	Degree or Diploma 3 Years (any stream)
PGDHSE	PG Diploma in Health Safety Environment	12 Months	Degree or Diploma 3 Years (any stream)
ADFS	Advance Diploma in Fire and Industrial Safety	06 Months	Degree or Diploma 3 Years (any stream)
CCCS	Certificate Course in Chemical Safety	01 Month	10 th or S S C or H S E
CCCS	Certificate Course in Construction Safety	01 Month	10 th or S S C or H S E

NATIONAL INSTITUTE OF FIRE AND SAFETY (NIFS)

A unit of: **SSBIHSES**

an authorized training partner of

National Skill Development Corporation (NSDC)

NSDC COURSE CONTENT:

Course	Course Name	Duration	Eligibility and Course Content
DIS	Diploma in Industrial Safety	12 Months	10 th or S S C or H S E 1. Safety, Health & Environment Management 2. Industrial Hygiene And Occupational Health 3. Safety In Chemical & Petrochemical Industry 4. Safety in Construction Industry
DFS	Diploma in Fire and Safety	12 Months	10 th or S S C or H S E 1. Fire Technology 2. Industrial Safety 3. Construction Safety 4. Occupational Health and Environmental Education
DHSE	Diploma in Health Safety Environment	12 Months	10 th or S S C or H S E 1. Industrial Safety 2. Construction Safety 3. Occupational Health 4. Environmental Pollution
PGDFS	PG Diploma in Fire and Safety	12 Months	Degree or Diploma 3 Years or B. E. or B. Tech. (any stream) 1. Fire Engineering 2. Industrial Safety 3. Safety in Construction Industry 4. Occupational Health and Environmental Education

Course	Course Name	Duration	Eligibility and Course Content
PGDHSE	PG Diploma in Health Safety Environment	12 Months	Degree or Diploma 3 Years or B. E. or B. Tech. (any stream) 1. Industrial Safety 2. Safety in Construction Industry 3. Occupational Health 4. Environmental Pollution
ADFS	Advance Diploma in Fire and Industrial Safety	06 Months	Degree or Diploma 3 Years or B. E. or B. Tech. (any stream) 1. Fundamentals of Fire and Safety 2. Industrial Safety 3. Safety in Construction 4. Emergency Response & Environment Pollution
CCCS	Certificate Course in Chemical Safety	01 Month	10 th or S S C or H S E
CCCS	Certificate Course in Construction Safety	01 Month	10 th or S S C or H S E
